

Parcel Boundaries

Price: \$500.00 per set (Total County)
\$10.00 per 400 scale Map Sheet

Description: Parcel boundaries are polygons representing property lines that have been recorded by deed or by plat. This feature set is maintained by the office of Bradley County Assessor. They are continuously being updated but are exported to ESRI shapefiles only quarterly.

Map Projection: NAD_1983_StatePlane_Tennessee_FIPS_4100_Feet
Geographic coordinate system name: GCS_North_American_1983

Attributes: **OBJECTID :** A unique identifier controlled by the database.

PARCEL_TYPE :

- 1: Parcel**
- 2: Common_Areas**
- 3: Street_ROW**
- 4: Railroad_ROW**
- 5: Parcel_Conflict**
- 6: Condominium**
- 7: Unknown**
- 8: Lake_Pond**
- 9: River**

GISLINK : An identifier made up of county, map, group, and parcel.

GISLINK2 :	An identifier reserved for other uses.
CAL_ACRE :	Acreage calculated by GIS software.
MAP :	Map number that was assigned by the office of Bradley County Assessor of Property.
COUNTY :	County number for Bradley County (006)
CNTLMAP :	Control map number that was assigned by the office of Bradley County Assessor of Property.
MAP_LTR :	Map letter that was assigned by the office of Bradley County Assessor of Property.
GROUP :	Group letter that was assigned by the office of Bradley County Assessor of Property.
PARCEL :	Parcel number that was assigned by the office of Bradley County Assessor of Property.
MAP_SCALE :	0: None 1: 100' scale 4: 400' scale 5: 50' scale
SHAPE :	Polygon
SHAPE.area :	Area in square feet calculated by GIS software.
SHAPE.len :	Perimeter in feet calculated by GIS software.
