PART II. OWNED PERSONAL PROPERTY - STANDARD VALUE

Report all personal property owned by you and used or held for use in your business or profession as of January 1, including items fully depreciated on your accounting records. Do not report inventories of merchandise held for sale or exchange or finished goods in the hands of the manufacturer. Personal property leased or rented and used in your business must be reported in PART III of this schedule and not in this section. Property on which you wish to report a nonstandard value must be reported in PART IV of this schedule and not in this section. Qualified pollution control equipment should be reported in PART V of this schedule. A separate schedule should be filed for each business location. List the total original cost to you for each group below by year acquired in the REVISED COST column. If COST ON FILE is printed on the schedule, you need only report new cost totals resulting from acquisition or disposition of property in the REVISED COST column. ALTERNATIVE REPORTING FOR SMALL ACCOUNTS - If you believe the depreciated value of your property is \$1,000 or less you may use the Small Accounts Certification (reverse side) as an alternative to reporting detailed costs below. With this certification, subject to audit, your assessment per this schedule will be set at \$300.
